We all know about the destructive earthquake in Nepal. We have an opportunity to join work teams to help build simple shelters in Nepal with RUN (Reaching Un-reached Nations) Ministries, with the goal to help introduce Christ in areas least reached. Looking to get a group of men together from Sarasota, hopefully in the next two weeks, before the monsoon rains begin. Please call Jonathan Miller (378-1599) if at all interested.

True holiness starts on the inside---with our thoughts, attitudes, values, and motives---those innermost parts of our hearts that only God can see.
