ANNOUNCEMENTS

This Week At Palm Grove:

We are in the process of purchasing live stream equipment. This will give us the capability of live streaming special services, like conferences, baptism, weddings, and Sunday services. In addition, this equipment would also allow live streaming services during this present pandemic. We are hoping to have this equipment up and running soon. If you would like to contribute to buying this equipment, send funds to Ollie Kempf’s home address and write in the memo line “live stream equipment”.

Ollie’s address: 11075 Celestine Pass, Sarasota, FL, 34240

Keep in mind that our church operation costs continue. We encourage you to send the offerings to Ollie’s at the above address. All checks are to be made out to Palm Grove Mennonite Church. Write your giving number in the memo line. We are working on adding on-line giving to our website. Thank you!

The Tenebrae part of the Good Friday service has been cancelled but we are planning to have assigned groups up to 10 participate in Communion. Groups will have scheduled time slots to come to the church. We will have 1 group in the fellowship hall and 1 group in the sanctuary. The chairs will be placed according to recommendations. Your small group leader will be contacting you to see if you are able to participate. This service for Friday evening is voluntary, not a requirement. With plans to meet on Friday evening we are not planning to meet in small groups Wednesday evening. In addition to that we are looking into having small group gathering in homes for Easter Sunday. If we gather in small groups for Easter, we will not have an on-line service Easter Sunday. Please be advised that these services are subject to change depending on changing requirements.

Enter into His gates with thanksgiving, and into His courts with praise. Be thankful to Him, and bless His Name!
