Seeking first the kingdom of God and His righteousness is a step that each person who gets right with God takes. But it is more than an initial step or a one-time experience. The children of God must continue to seek the kingdom of God and to pursue righteousness. It must be the rule of our lives. In all that we think, do, or say, we seek to live according to godly ethics and to seek the good of His kingdom. We also seek first the kingdom of God by being the best that we can be in the things that He has called us to do.
